

EVALUATION FORM

Volunteers: The following form will be used to determine future improvements both in housing facilities and camp programs. Please fill it out and give it to the Chairman at the close of the camp week. We value your suggestions as you are a vital part of the Wekiva Experience.

I was assigned to _____ (*cabin*) and
volunteered for the _____ (*program*).

Everything in the cabin was satisfactory. (*Check One*) Yes No

The following needs to be corrected:

1. Is there anything that could be added to the cabins to make your stay more pleasant?
2. Did you find the program in which you participated fun and challenging? If not, why?
3. Did the Counselors in your area participate in the program? Did they initiate new ideas?
4. Did you find that your program had enough equipment/materials to make it successful?
5. Did you feel like you were a part of camp? (*Check One*) Yes No

Please write any other suggestions/thoughts which might make our program more appealing to both volunteers and campers.
