

FFGC Wekiva Youth Camp 7th Grade Primitive Packing List

During Camp Wekiva's 7th Grade Primitive Program campers have the opportunity to spend three nights at the main camp and three nights tent camping at the primitive campsite. Due to the unique schedule and activities within the Program, the following is a packing list and guide specific to our 7th Grade Primitive campers.

Items Needed Every Day at Camp Wekiva:

- Reusable Water Bottle (18 oz or more recommended)
- Insect Repellent (non-aerosol)
- Sunscreen
- Flashlight with batteries
- Hat with brim
- Small backpack or drawstring pack
- Sneakers/Walking Shoes – 2 pairs, Crocs with socks are allowed, but a second pair of regular shoes is necessary for running/hiking activities.
- Plastic grocery bags (for wet clothes)
- Laundry bag
- Swimsuit (functional, one piece only)
- 1 beach towel

Daily Personal Toiletries:

We recommend a designated toiletry bag for these items. These items will be used both in camp and at the primitive site. Shampoo, bodywash etc. when loose in bags potentially leak during transport therefore, we recommend an enclosed bag to contain liquids in the event of a spill. Non-fragrant products are highly recommended as fragrances can attract insects.

- Soap/bodywash
- Shampoo
- Deodorant
- Hairbrush and hair ties (if needed)
- Toothbrush and toothpaste
- Feminine hygiene supplies (if applicable)

Items Needed in Main Camp:

These items will be left in cabin while at Primitive

- 4 pair of underwear
- 4 shirts
- 4 shorts or pants
- 3 pairs of socks
- Sleepwear
- 2 bath towels, wash cloths
- Twin size bed linens - fitted sheet, top sheet, blanket
